## Family History Ideas

*Do you know why we celebrate Labor Day?  
Who do we celebrate on that holiday?  
When did it start?  
What did your relatives in the late 1800's do for work?*

Sit down with your parents and grandparents and interview them about their jobs. Use the FamilySearch app to audio record the conversation on their memories tab.

Ask them questions about what they do. Some example questions might include:

- What is your job title?
- How long have you worked there?
- What did you need to learn for this job?
- Did you have to go to school for your job?
- Where did you go and what did you study?
- Walk me through a typical day at work.

### It's Fall Sports Season!

*Which famous athletes are you related to?  
Are you related to any professional athletes who are alive today? Who?*

*Do you play sports?  
Do you watch sports?  
What is your favorite hobby?*

Record an audio memory on FamilySearch about your favorite sport or hobby and talk about what it is, why you love it, how it helps you, and whether or not you think you'll keep doing it as you get older.
